## Privacy Policy

- Welcome to VSpartans Consultants Private Limited (Research Analyst). We deeply value your privacy and are committed to safeguarding it. This Privacy Policy explains how we collect, use, and manage your information to ensure transparency and clarity in our practices.
- We collect certain personal information through our website or social media platforms when you voluntarily provide it. This information is used to improve our services and enhance your overall experience. We make every effort to maintain the accuracy and security of the data you share with us.
- Your privacy and data security are of utmost importance to us. We implement robust measures to ensure the confidentiality of your personal information and use it only for purposes you have consented to. However, no system is entirely foolproof, and while we strive to protect your information, we cannot guarantee its absolute security. Any data you transmit through our online services is done at your own risk.
- Please be aware that you may receive communications from us regarding service promotions, contests, or events. Your information, whether public or private, is securely held by us but may be disclosed to regulatory authorities, affiliated organizations, or third parties with whom we have a legitimate interest, without requiring your explicit consent.
- In addition to delivering our services, we may use your personal details, such as your mobile number and email address, to share newsletters, surveys, contest details, or updates on new services we believe may be of interest to you. By subscribing to our services, you consent to the use of your information for these purposes.
- By submitting an inquiry form on our website or through social media, you consent to being contacted via phone call, SMS, or WhatsApp at the number provided. Even if your number is registered on the National 'Do Not Disturb' registry, you agree to receive communication from us.
- We respect your trust and remain committed to protecting your privacy at all times.
